

**Future Sancar Turkish Cultural & Community Center (STCCC)  
– A project of the Aziz & Gwen Sancar Foundation**

## **STCCC Logo Competition**

The Board of Directors of the Aziz and Gwen Sancar (AGS) Foundation announce a competition for a logo representing the mission of its Sancar Turkish Cultural and Community Center (STCCC). Currently under construction in Chapel Hill, North Carolina in the United States, the Center will provide a venue for celebration of Turkish cultural events as well as focus on educational and cultural activities that promote closer ties between the United States and Turkey. When fully completed the center will encompass two structures. A building housing meeting and office space along with a library and areas for community activities is to be the focal point of the site, which fronts on the main street through the town. A residence for visiting scholars and students associated with the nearby University of North Carolina at Chapel Hill, and with Duke University, North Carolina State University, and other distinguished institutions in the Research Triangle area, also is a central part of the plan. Details about the Center can be found at [www.sancar.org](http://www.sancar.org).

Individuals and organizations are invited to submit entries in a contest for a logo that is creative and original and conveys the center's purposes in a concise and impactful way. The contest winner will be awarded a \$1000 prize and recognized on the Foundation's web site and in other venues. Guidelines for submissions and rules of entry are as follows.

### **Contest Rules**

Submissions will be considered for use as a logo on Sancar Turkish Cultural and Community Center documentation, identification, and publicity materials, with the winning entry becoming the property of the AGS Foundation.

Entrants agree to convey to the AGS Foundation all rights of usage including those for print, digital, and other media, should their submission be selected as the winner. A signed entry letter confirming transfer of copyright ownership to the Foundation will be required.

Entries in the contest can be submitted in JPEG, PSD or PDF Formats and sent to [logocontest@sancar.org](mailto:logocontest@sancar.org) by the end of the day on May 12, 2019. A committee to be named by the AGS Foundation will select three finalists for consideration by its Board of Directors, who will determine the winner. The decision of the board will be final.

Entries should convey the mission of the Sancar Turkish Cultural and Community Center and focus on its multifaceted purposes rather than on individuals, including the Foundation's namesake.
